SUMMARY OF CHANGES

LOWER DIVISION REQUIRED COURSES AND THEIR EQUIVALENTS: Students must obtain a grade of C- or better in each of these courses to apply them to the Business Major.

UPPER DIVISION REQUIRED CORE COURSES: Students must obtain a grade of C- or better in each of these courses to apply them to the Business Major.

UPPER DIVISION REQUIRED ELECTIVE COURSES: Students must obtain a grade of C- or better in each of these courses to apply them to the Business Major.

JUSTIFICATION

Grades should be set at a level of academic achievement that is the minimum required to successfully complete the degree program. We have observed that the current minimum grade of D- does not reflect student understanding of the course material and increases the likelihood for grade problems in future courses that build upon that knowledge.
