1. MINUTES – Approval of Minutes for 01.28.14 deferred
2. APPROVED REGULAR COURSES AND PROGRAMS and OTHER ITEMS

CONSENT ITEMS FOR APPROVAL:

REGULAR REVIEW ITEMS

- **Sub-Committee on Curriculum Management Software (Curriculog)** **Discussion:** Will CC committee play a role in determining software for streamlining curriculum? Dan stated that we will purchase software but it will be awhile; current Acalog package still has to be interfaced w/PS. Ad hoc committee is a good idea going forward. CC will be invited to view software when vendors come to campus. Rosa will attend Acalog/Curriculog conference on March 1st. Software determination will have to wait until late spring term or summer.
