

How to log in to Curriculog

1. Click on the link below to launch Curriculog:

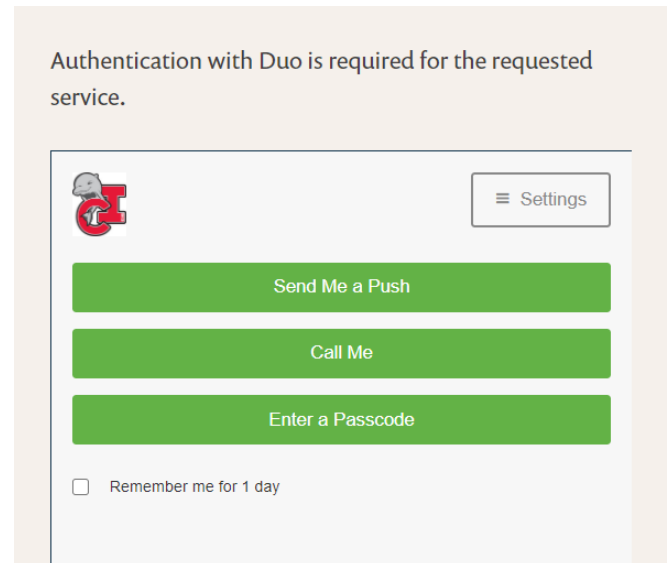

<https://csuci.curriculog.com>

2. Once on the page click **Login** (top right corner of the page)

3. The system will prompt you to log in using your myCI credentials and dual authentication if you are not already signed on to myCI.

The login form has two input fields: 'Dolphin Name' and 'Dolphin Password'. Below these is a blue 'Sign In' button. At the bottom, there are links: 'Forgot Password?', 'Forgot Dolphin Name?', and 'Help'.

4. After applying your credentials, you will be logged in to Curriculog.

To make sure you are logged in **your name** will show on the upper right corner of the page. If it does not, you are not logged in. Click Login and go through steps 2 and 3 again.
