Units: This course requires flexibility in the number of units to be taken by our part-time students. Part-time students need to take six units or less for tuition breaks. Having this course as a one unit course allows the part-time student to take one three unit class, one two unit class, and one unit of field placement for a six unit semester load.

Corequisites: EDSS 540 and EDSS 530—(Content Methods I) was added as a possible co-requisite so part-time students would be required to have a middle school field placement taken with these courses while providing flexibility in sequence and scheduling.

A field placement is necessary to complete course assignments.

Catalog Description: Needs to be updated to reflect changes. See above.

Other: Repeatability needs to be added for the part-time students who take the middle school related courses over a period of three to four semesters.

6. If this modification results in a GE-related change indicate GE category affected:
