☐	Upper Division Interdisciplinary GE
Lab Included? Yes ☒ No ☐ <i>Service learning</i>	

Please provide a brief explanation of how the proposed course meets *each* of the criteria for the selected GE categories.

This course will examine the socio-cultural experiences pertinent to Chicano and Mexican-origin children and adolescents in distinct cultural and economic settings. Emphasis will be on studying contemporary issues and effective educational and cultural-linguistic practices for working within Chicano/Mexican communities. Course will use a variety of instructional formats including lecture, web-based learning, reflective writing and critical thinking, guest speakers, multimedia and service learning in a community-based child or adolescent setting.
