3. Justification and Requirements for the Course. (Make a brief statement to justify the need for the course)

A. Justification: This course will provide a mechanism for graduate students to study a topic or complete a project with a School of Education faculty member guiding their work. Students in the Masters Program need a graduate level independent research offering. For students in need of a research project opportunity prior to completing the thesis, we currently have been using undergraduate EDUC 494 which is inappropriate for the graduate program of study.

B. Degree Requirement: ☐ Requirement for the Major/Minor
☐ Elective for the Major/Minor
☒ Free Elective

Note: Submit Program Modification if this course changes your program.

4. Learning Objectives. (List in numerical order. You may wish to use the following resource in utilizing measurable verbs: <http://senate.csuci.edu/comm/curriculum/resources.htm>)

Upon completion of the course, the student will be able to:

1. Identify an area of study
2. Choose an appropriate method for research / study of the area
3. Identify and describe the significant information or skills to be gained from the study
4. Design and implement a study of the topic or area
5. Complete and present appropriate documentation of the study that was conducted

5. Course Content in Outline Form. [Be as brief as possible, but use as much space as necessary]

Course content will be dependent upon the area of study. Common to all studies will be the student identifying the area of study, appropriate method for study, and significant information or skills to be gained from the study. The student will conduct the study and prepare appropriate documentation of the study.
