Students will receive authorization in the areas of language, culture, and methods, as reflected in the CLAD competencies of the state of California.
--	---

SUMMARY OF CHANGES

One additional course has been added: EDMS 522 – Literacy 1 – Multicultural/Multilingual. This course addresses the remainder of the CLAD competencies as stipulated by the California Commission on Teacher Credentialing.

JUSTIFICATION

Upon review of the first submission of the CLAD Certificate to the Commission on Teacher Credentialing, we were asked to provide additional evidence of how we would address specific

CLAD competencies. It was necessary to include this existing class (EDMS 522) in order to satisfy the CCTC.
