All present

Approved Agenda, minutes and Consent items

ECON 340 is showing the wrong program owner in Curriculog. It is showing Education and it should be Economics.

Blake G.

Was in the Chair meeting and reported on EO1110

Border discussion on how the campus will respond the chairs did not have a lot of interest.

Ivana said as a math project and the rest is from the CO. Ivana thinks is that math is a Math department job. Ivana says that the CO is the one that will approve CI

How do we sort out the other B4 courses that are quantitative reasoning?

Jeanne said that people might realize next year that Ivona's options is not good for their program and they might do something about it.

Bob said if the quantitative reasoning goes thru GE they will review them.

How does the campus decide who gets place where? And right now is Jorge.

What is the quantitative reasoning path for CI to be input the catalog?

GVAR: it is up for second reading in Senate

Monica is asking how it works with the continuing students and the GVAR. Janet said there will be a moratorium for all students.

They anticipating questions about the grading C-
