Guests:

APPROVAL OF AGENDA

- **Agenda: 10-10-18**
- **Minutes: 10-03-18**

Minutes Approved

Blake going over the Agenda

1. Update on EO1110

It bears on curriculum on what kind of proposals we will see in CC on EO1110
The team has not established a path of communication with the math department
Geoff has not made it clear what are the paths of implementation to Math yet

There will be other 4 faculty the group will establish a campus wide dialog about EO1110
Difficulty with clear communication with Math but they are trying to resolve that.
They are still composing a charge for the task force.

2. Going over explaining the prioritization spreadsheet and how we gathered the data

Last meeting for the year December 12, 2019.

Process: begins with you going to Curriculog work with Janet and Blake work with the programs.

Curriculog overview. How to go over the courses and programs in Curriculog and with programs.

Talk about the curriculum process.

Blake G. suggests that the curriculum committee step to be after the tech review at the beginning of the process and have Chairs and Deans at the end of the workflow.

Discussion of how the process will be for this year

Blake G. asked to post the Program Prioritization and CC member assignment to the CC website.
