1. Course Information.

(If Cross-listed please submit a form for each prefix being deleted)

Prefix SPAN Course# 350 Units (3)

Title Advanced Spanish Grammar and Composition

Description: Three hours lecture per week Covers the fundamentals of Spanish accentuation, spelling, punctuation, as well as some advanced grammar and writing elements.

2. Justification.

We have decided to replace SPAN 350, which was previously an elective, with a two-semester sequence (301-302) that will now be required of all Spanish majors and students seeking the Certificate in Spanish Translation. The one-semester grammar/composition course was insufficient to build and strengthen the skills students need to meet our program learning outcomes.
