This form is used to notify the Financial Aid office that you have enrolled in classes for summer 2011. Summer Session 2011 is the trailing term of the 2010-2011 academic year. Therefore, in order to use financial aid for Summer Session 2011, eligible (CI) matriculated students must not have used all of the financial aid for which they are eligible in the 2010-2011 academic year during fall 2010 and/or spring 2011. Any reduction of units could result in a reduction or cancellation of financial aid and a balance due to CI; holds may be placed on future enrollment. Also, you must be enrolled at least half-time to remain eligible for summer aid (**Undergraduate/Credential: 6 units; Graduate: 4 units**).

## SECTION A: ENROLLMENT

**NOTE:** *Registering at the same time for all summer term classes in one or more sessions will facilitate the processing of your financial aid request. Your summer aid eligibility is based on your total units of enrollment in all summer sessions.*

I hereby certify that the above information is true and correct and that I'm financially prepared for the possibility that I may NOT be awarded aid or that the aid offered may not cover the full cost of the summer program.
