

CALIFORNIA STATE UNIVERSITY CHANNEL ISLANDS

President's Scholars Program

SCHOLARSHIP ♦ LEADERSHIP ♦ SERVICE

California State University Channel Islands (CSUCI) is a special learning community that welcomes students as active partners in a distinctive educational experience. CSUCI seeks students who enjoy a campus environment where their voices and beliefs are embraced, valued, and respected. CSUCI students learn to think critically from professors who become mentors and sources of inspiration.

The CSUCI President's Scholars Program provides scholarships that include financial assistance to entering students whose outstanding academic achievement and character will be enhanced and enriched in a nurturing environment that emphasizes commitment, success, and service.

CSUCI President's Scholars are encouraged to explore their talents, achieve their aspirations, and to strive to make a difference in society. They learn about the world and they learn about themselves.

On campus, they become part of a diverse and close-knit community of students,

faculty, and staff. CSUCI President's Scholars are given the tools to prepare for lives of scholarship, leadership, and service.

High school students who have distinguished themselves academically are encouraged to become a CSUCI President's Scholar by applying for this scholarship.

In addition to covering the full cost of in-state tuition and student fees, this

scholarship provides a \$600 credit at the University bookstore (per semester), use of a laptop computer and priority registration. If tuition is covered by other financial resources (i.e. grants, scholarships, third party, etc.), this scholarship may be used for other enrollment-related expenses. The scholarship is renewable for four years.

In addition, on campus room and board will be provided for a student who is classified as a National Merit finalist or semifinalist.

CRITERIA: Must be a first time freshman and resident of California with a minimum 3.75 GPA (as calculated for CSU admission). Admissions must have record of all academic transcripts at time of scholarship application submission. Two letters of recommendation must be uploaded online by reference no later than March 2, 2018. The scholarship is renewable for four years.

REQUIREMENTS: CSUCI President's Scholars must continue to demonstrate academic excellence, exhibit leadership, serve as a positive example to their peers and provide at least 15 hours per semester of community service, which may include active participation with the President in campus and community events, as well as meeting and interacting with local high school students. Scholars must also maintain a 3.5 GPA to remain eligible for renewal of the scholarship.

APPLICATION: The President's Scholars Program applications are accepted for the 2018–2019 academic year from January 1 to March 2, 2018. The online application instructions are available at www.csuci.edu/financialaid/scholarships. An interview with the Selection Committee is required for finalists. All applicants will be notified no later than May 4, 2018.

For more information, contact the Financial Aid & Scholarships office at 805-437-8499 or email scholarships@csuci.edu.

Channel Islands
CALIFORNIA STATE UNIVERSITY

UNIVERSITY MISSION: Placing students at the center of the educational experience, California State University Channel Islands provides undergraduate and graduate education that facilitates learning within and across disciplines through integrative approaches, emphasizes experiential and service learning, and graduates students with multicultural and international perspectives.
