

## **Facilities Services Recent Maintenance Repair and Landscape Activities at University Glen**

Facilities Services (FS) is pleased to share an update of our new, ongoing and recently completed projects. We continually strive to improve and maintain University Glen and our beautiful campus. Our staff takes pride in providing the highest quality service by using resources effectively and efficiently.

---

### **University Glen Landscape Maintenance**

FS Landscape has begun conducting light pruning on trees located throughout the streets of the University Glen community. The tree pruning is being done in phases, breaking the project down into different sections around the neighborhood. Trees located in Platts Harbor Drive and in the alleyway of Cuyler Harbor Drive have now been trimmed. This week FS Landscape crews will be conducting tree pruning on Channel Islands Drive Monday through Thursday from 3pm to 6pm.
