In order to check in, all university fees due on or before **January 18** must be paid. The first date of financial aid disbursement is **January 13** and will occur regularly after that date.

If you intend to use student or parent plus loans to cover university fees, be sure you have completed online loan counseling and the master promissory note. Missing these steps will delay funding and your move in.

Check your To Do list via myCI to ensure you have completed your online loan counseling, and master promissory note. Missing these steps will delay the funding of financial aid and your ability to move-in. Anticipate a minimum two hour delay on move-in day if your student account has a balance.

For Your Info

Health, Safety & Occupancy Checks

Our staff performs Health, Safety & Occupancy Checks to ensure fire and safety regulations are being adhered to, rooms are reasonably clean and in good order, and to verify occupancy. Residents are expected to return the room in excellent condition at the end of their occupancy and regular checks help to ensure this. Note: for fire safety, candles, even decorative ones, are not allowed.

Landscape

After 9 a.m., University Grounds staff mow the lawns daily and use leaf blowers in courtyards weekly. We recommend you closing your windows to reduce noise. Also, to help maintain the grounds, please travel on walkways and not through planted areas.

Smoke Detector & Fire Extinguisher

Our Facility Workers inspect smoke detectors and fire extinguishers around the 20th of each month.

Laundry

Santa Rosa Village laundry rooms take credit or debit card only. Laundry cards are required in Santa Cruz and Anacapa laundry machines and may be purchased in both Santa Cruz and Anacapa Village offices from the "Add Value" machine. The wash/dry price is deducted from the card after each use. Residents may add more money to the laundry card as needed at the "Add Value" machine. Town Center residents have laundry units within the apartment.

We offer a laundry alert system that lets you know which machine is available and when a cycle is finishing. Visit www.laundryalert.com and sign in as csuci.

Parking

Parking permits are required for resident students who bring their vehicles and wish to park on campus. The link to purchase parking permits can be found on the [Parking website](#). Remember to purchase an "SH" parking permit and park in SH1, SH2 or SH-UG lots only. A10 may be used as overflow Student Housing parking. Supporter vehicles can park during move in day, January 21 in any SH parking lot with a move in parking permit displayed on the dashboard. Outside of this period, a daily permit must be purchased and displayed on the dashboard of the vehicle. Parking permits are always required when parking on campus; there is no grace period.

Occupancy Changes

Due to occupancy or building demands, you may be required to move after move-in, which is outlined in the license agreement. We will avoid it when possible and will not exercise it unreasonably.

Residence Hall Association

Involvement in the Residence Hall Association (RHA) is encouraged. RHA is the student representative organization for students living on campus. RHA is an excellent opportunity to be involved in your community and develop leadership skills that will serve you well at CI and beyond. If you are interested in learning more about RHA opportunities, please contact your Resident Advisor (RA).

Guests

You may bring up to 4 supporters with you to check-in. Please review our overnight guests' policy by reviewing our Resident Handbook for more detail.

Student Health Services

For routine personal care, students should be prepared to administer their own first-aid and should have bandages, aspirin and any additional prescribed or over the counter medications they may need. In addition we recommend that a two week supply of food be kept on hand in the event that students become ill or contract COVID-19 and wish to stay on campus while they isolate.

For more serious illnesses and medical treatment, students have access to the Student Health Center located in Yuba Hall across the parking lot behind Sage Hall. Students may contact the Student Health Center at (805) 437-8828.

Immunization Requirements

Immunization requirements for all students attending CI are posted at the Health Services website: www.csuci.edu/studenthealth/. Read this information & other health immunization requirements as it may affect your ability to register for future semesters.

Meningitis

Meningococcal immunizations are strongly encouraged for all students living on campus. Meningitis is a very serious condition which is highly contagious, and living in close quarters increases vulnerability in the event a fellow student contracts meningitis. For more information about Meningitis, please visit the following link: <http://www.csuci.edu/housing/documents/meningococcal.pdf>, please read the Meningococcal disclosure.

Disaster Preparedness

The University has a comprehensive disaster preparedness plan for emergencies such as earthquakes and fires. To be prepared, all residents are encouraged to bring an extra blanket, a flashlight, a first-aid kit, & enough imperishable food & water for three days. Students are advised to thoroughly review evacuation instructions upon arrival.
