5) Old Business

- a) **K1 Low (Harmony):** Multiple floor mates key cards are not working on second floor for printing. Believes it is unreasonable to have to pay for cleaning supplies every time family room needs to be cleaned.
- b) **H2 South (Kaitlyn):** More laundry cards, they always seem to be sold out.
- c) **A3 (Kaylee):** Has spoken to multiple floor mates who feel there is not enough counter space, would possibly like microwaves to be hung up from above along with cabinets.
 - **As models start to fail they will work on suspending them up on the cabinets**
- d) **L1 High (Christopher):** More water refill stations in Santa Rosa buildings, maybe at least 2 per building. The faucet in the kitchen is very slow so it takes a while to refill bottles.
- e) **B3 (Nick):** Many floor mates have expressed that they want printers on every floor for more convenience and to avoid having to wait in line.
 - **IT will take a look at that and see what could be done**
 - **There could be 1 on each floor except A1 and A3**
 - **Let's think about timing?**
 - **Ci map -> search Printer -> will see all printer available on campus**
 - **Possible print kiosk!**
- f) **L2 High (Vanessa):** Recycling bins in every family room
- g) **D-Block (Brandon):** Wants at least one of those gates along D-block wall to have a keypads so there can be an entrance, not just exits.

- k) **K2 High (Brittany):** Would like an ice-maker in Santa Rosa.
- l) **A3 (Kaylee):** Poor Wi-Fi strength in dorm.

- n) **All Santa Rosa Restrooms:** Hooks needed for clothing and towels next to shower in Santa Rosa Restrooms. The one shower hook given is not enough.

that if the noise is coming from the streets, not to call the RA Duty and to call the non-emergency Police.
