## Office of the Chancellor Message to Campuses

Steve Relyea, Executive Vice Chancellor and Chief Financial Officer, calls out Cal State Channel Islands as one of the first four campuses amongst Cal State Fullerton, Stanislaus State, and Cal Maritime as “ doing a great job not just for their universities, but also for the rest of the system because everyone else will benefit from their diligent efforts and experience. I look forward to us all celebrating the go-live of CHRS by the end of this year and thank you for your critical work and important support of this project. ” The full message from Executive Vice Chancellor and Chief Financial Officer Steve Relyea is linked and you may visit the [Executive Sponsor Message](#) for more inspiration.
