Footnotes:

1. Better Served Groups include students from White, Asian, Other, Two or More and Unknown ancestries.
2. Underserved Groups include students from African American/Black, Native American, Native Hawaiian, Pacific Islander and Hispanic/Latino(a) ancestries.

Summary:

Among students entering as new transfers, traditionally underserved students and traditionally better served students continue beyond the first year at nearly identical rates. The gap between these groups in 6 Year graduation rates diminished in recent years.
