

# Welcome to the Multicultural Dream Center!

## Who We Are

The Multicultural Dream Center provides all students with a brave space to challenge their worldviews and engage in cross-cultural interactions. We are a space dedicated to enhancing inclusive excellence on campus through various efforts, focused on supporting student retention and persistence.

## What We Offer

The Multicultural Dream Center hosts events, workshop and trainings, and provides academic support. Housed within the center are three programs: Intercultural Services, Promoting Achievement Through Hope (PATH) Program, and Underrepresented Student Initiatives. Each of these programs offer various experiences for all students to grow and learn about various social identities. We also offer:

- Space for studying, hanging out, and computers
- Educational materials to expand your understanding of social identities
- Free scantrons, green books, and print ten pages, black and white per day
- Free feminine hygiene products and condoms
