

AI@CI: Speaker Series

THE ECONOMIC PROMISE OF AI

The CSU system has made a bold commitment to AI.

How do we leverage this investment to boldly connect first-generation students to prosperous economic futures?

Join us for a thought-provoking conversation exploring how artificial intelligence can serve as a catalyst for economic mobility.

September 23rd | 10:00AM – 11:30AM

Grand Salon

DR. SANDEEP KRISHNAMURTHY

Inaugural Singelyn Family Dean
of the College of Business
Administration and the
Singelyn Graduate School of
Business at Cal Poly Pomona.
