

# CSU Channel Islands

## Wireless setup for personal device(s) – CI\_Guest

1. Select Network Connections (located at the top right of the screen) > **CI\_GUEST**

2. After **CI\_Guest** is selected, use your web browser to open the captive portal.
3. The host organization at CI may provide you with a wireless username and password. Click the link provided "For sponsored guest please login here".

4. You will be redirected to a separate login page. Enter your username and password, accept the Terms of Use, and select the button "Log In".
