**Wellness Wednesdays**  
*presented by: Holly Sacks, Mindfulness Facilitator*

Mindfulness is awareness that arises through paying attention, on purpose, in the present moment, and non-judgmentally. Mindfulness of thoughts, feelings, and physical sensations, combined with cognitive interventions such as making changes to ineffective patterns of thinking, are useful tools for managing distress. Participants will learn mindfulness practices designed to calm the mind and relax the body. Whether you are a true beginner to meditation or are willing to have a beginner’s mind, all faculty and staff are welcome! Feel free to drop in for one session or join us for all of the monthly sessions. **No RSVP necessary.**
