CROWNE PLAZA VENTURA BEACH

TOP OF THE HARBOR BALLROOM

april 16, 2015 at 6 p.m.

HONORING

christopher meissner

CEO, Meissner Filtration Products, Inc.
 Business & Community Leader of the Year

Chris Meissner is founder and President of Meissner Filtration Products, Inc., a company that he has developed as the leader in microfiltration providing high performance products and technical support services for critical application. Established in 1989 and located in Camarillo, Meissner Filtration Products, Inc. develops, manufactures, supplies and services advanced microfiltration and single-use systems worldwide. Chris dedicates his time to his local community by serving on these Boards: Economic Development Collaborative, Ventura County, St. John's Seminary and the CSU Channel Islands Foundation.

lynda weinman

Executive Chair of the Board & Co-Founder of Lynda.com
 Technologist Leader of the Year

Lynda Weinman is a self-taught computer expert, author, educator and entrepreneur. In 1995 she wrote the first industry book on web design and web graphics. Lynda.com is one of the most successful companies in online education that teaches technology, design and business skills. Lynda and her husband and co-founder, Bruce Heavin, have helped Lynda.com to evolve from its original concept as a free web resource for her students, to an award-winning online learning company.

priscilla liang

CI Associate Professor of Finance, MVS School of Business & Economics
 Faculty Leader of the Year

Priscilla Liang received her bachelor's degree in China and her MBA and Ph.D. in Financial Economics in the United States. Before pursuing her academic career, she worked extensively in real estate development, emerging markets investments, and international business management in both countries. She teaches a variety of classes at CI (since 2006) which includes *Business Finance*, *Behavioral Finance* and *Business in China*.
