FACTS & FICTION ABOUT VACCINES

Tuesday, October 21 ~ 6:00 pm – 7:30 pm

Don't miss this informative event that explores truths and dispels myths about childhood vaccinations. An expert panel will provide research-driven insights into vaccine safety, efficacy, and public health impact.

There will be time for Q&A, and we'll provide resources for families and educators.

Ventura County Office of Education
5100 Adolfo Road, Camarillo
