#### CSUCITOWN HALL President Richard Yao

# Campus Climate May 18, 2022 (12-1pm) May 19, 2022 (11am-12pm)

# QUESTION #I

What is CSUCI's history with campus climate surveys?

# **Two Campus Climate Surveys & Outcomes**

- Fall 2018: Higher Education Research Institute (HERI)
  - Courageous Conversations: Cross-divisional discussion opportunities
  - Elevated awareness of issues; no direct actions resulted
- Fall 2020: Higher Education Research Institute (HERI)
  - Development of CSUCI's first Inclusive Excellence Action Plan (IEAP 1: Spr22-Spr23), informed by:
    - Publication of OTP documents some developed in response to racial violence of Summer 2020
    - CCS findings
  - 6 Inclusive Excellence Action Teams (IEAT) participated

# Worsening Results from 2018 to 2020 \*\*\*

- Perception of Satisfaction with Collegiality
- Climate, Commitment to Diversity, and Discrimination
  - Overall Sense of Community
  - Racial and Ethnic Diversity
  - Atmosphere for Sexual Orientation
  - Atmosphere for Political Differences
  - Atmosphere for Religious Differences
  - Atmosphere for Gender Differences
  - Atmosphere for Individuals with Disabilities
- Administrative Responses to Emergencies and/or Incidents of Harassment and Discrimination
- Feeling Valued
- Sources of Stress: Increasing Workload Responsibilities

# QUESTION #2

What actions have been taken to utilize 2020 Campus Climate Survey findings since May 2021?

# Action I: Created Six Inclusive Excellence Action Teams (Jan-Mar, 2021)

- I. Provide Professional Development & Leadership Development for Racial & Social Justice
- 2. Recruit, Hire, and Retain a Diverse Workforce
- 3. Promote Inward- & Outward-Facing Advancement & Community/Government Relations Efforts for Racial & Social Justice
- 4. Work Continuously Toward Realizing a Campus Culture of Inclusive Excellence
- 5. Improve Data-Based Decision Making & Planning Processes
- 6. Facilitate Student Access & Success

Selected examples

# Action 2: IEAT 4 focused on Campus Climate & Communication (March-October 2021), charged with:

- I. Building shared understanding of "inclusive excellence"
- 2. Adopting and using IE shared definitions
- 3. Leveraging a biennial climate survey to enhance culture
- 4. Creating and providing structured opportunities for courageous conversations
- 5. Recognizing and celebrating DEIA accomplishments and contributions
- 6. Evaluating and ameliorating cultural taxation
- 7. Cultivating a campus culture of communication, accountability, transparency, and clarity
- 8. Aligning Mission Centers' and FSAs' mission statements and strategic plans with DEIA values
- 9. Supporting and celebrating faculty and campus events and activities that raise awareness of CI's role in racial and social injustice

Red text items (#3-6) were prioritized by IEAT 4 for Cl's first IEAP (Spr22-Spr23). IEAP activities described in upcoming slides correlate with these 4 items.

#### Action 3: Focused the President's Advisory Council on Inclusive Excellence (PACIE) on three tasks in 2022-23

- I. Organize IEAT 2021 data, publish <u>IEAP #1 initiatives</u>, and create a website for tracking progress on these initiatives (see <u>Dartmouth</u> <u>IE website model</u>)
- Revise the Equity Lens Framework (ELF) devised by PACIE in 2020-21 which IEATs used for gap analysis between DEIA accomplishments and aspirations
- 3. Elevate CI conversations about disability in our DEIA work and recommend steps to improve campus efforts

Selected examples utilizing 2020 CCS

IFORNIA STATE UNIVERSIT

# Action 4: Call for Proposals due 6/10/2022 for research on Understanding Cultural Taxation and Eliminating Its Impacts (IEAP Initiative)

- I. Research the personal and professional impacts of cultural taxation at CSUCI
- 2. Hire an external consultant to use findings to inform creation of a guide for supervisors and train-the-trainers workshop series
- 3. Pilot usage of cultural taxation guide for supervisors and train-the-trainers workshops

## Action 5: Courageous Conversations – Creating Critical Learning Collectives (CLC) and CLC Town Halls 2022-23 (IEAP Initiative)

- I. Spring 2022:
  - a. Preparation meetings with CLC coaches
  - b. Refinement of <u>Climate Survey CLC Protocol</u>
- 2. Fall 2022-Spring 2023
  - a. CLC sign-ups: 9 groups, up to 8 participants per group
  - b. Led/co-led by CLC-qualified facilitators
  - c. Some CLCs single-identity (all staff, all faculty, all admin), some mixed employee groups (staff, faculty, admin together); also groups for students
  - d. Up to \$500 per participant for 10 two-hour meetings in 2022-23
  - e. Town Hall meetings to discuss emerging themes and recommendations

Selected examples utilizing 2020 CCS

# Action 6: Investing in MPP professional development for DEIA learning/leadership capacity Sum2022-Spr2023 (IEAP Initiative)

- I. MPP Dismantling Racism text-based discussion groups: Providing campus administrators with opportunities to read, discuss, and apply ideas in their areas learned through text-based discussions on dismantling racism and advancing racial and social justice
- 2. **Cross-divisional leadership support:** Safe spaces for seeking and learning DEIA vocabularies, concepts, sensitivities, cultural competencies

### Action 7: Call for Proposals due 6/10/2022 for developing an Equity MicroCourse, Sum22-Spr23 (IEAP Initiative)

- Equity MicroCourse: an online, asynchronous course about DEIA at CI
- 2. Purpose: provide a sustainable way to provide professional development for faculty, staff, students, and administrators critical to the goal of advancing racial and social justice in and through education at CI and beyond
- 3. Companion to annual Equity Summit provided through Channel Your Success HSI grant

Selected examples utilizing 2020 CCS

### Action 8: Utilize campus climate survey data as catalyst for addressing staff concerns, staffing levels and needs, and attrition patterns

What do/don't we know about staff concerns, demographics, staffing levels and needs, and attrition patterns?

# QUESTION #3: On Action #8 (probing a specific "pain point" for CI)

What are we doing with data that we have – and what data do we lack – on employee concerns, demographics, staffing levels and needs, and attrition patterns?

# QUESTION #4

What is our plan for future campus climate surveys?

- utilizing what we have learned from our 2018 and 2020 experiences
- making the survey experience clearer, briefer, and more focused
- getting access to findings more quickly

# **Campus Climate Surveys: Going Forward**

- The plan: Shorter, more focused surveys each semester
- Survey topics gleaned from prior CCS and IEAT data:

| Accommodations for<br>ability/disability and other<br>conditions | Discrimination and bias               | Relationship with community   | University priorities             |
|------------------------------------------------------------------|---------------------------------------|-------------------------------|-----------------------------------|
| Administration communication and responsiveness                  | Diversity, equity and inclusivity     | Sense of belonging            | Work compensation and benefits    |
| Campus security                                                  | Feeling respected and valued          | Sexual harassment and assault | Work/life balance                 |

| COVID experience and attitudes                                   | Mental and physical health challenges | Telework                      | Workshop and trainings attendance |

# Climate Survey Fall 2022: What are the most imminent campus needs for us to study, understand, and act upon?

Major 5 subareas where a decrease in the proportions of responses "Very Satisfactory" and "Satisfactory" was found:

- 1) Perceptions of Satisfaction with Collegiality,
- 2) Climate, Commitment to Diversity, and Discrimination,

3) Satisfaction with the Administrative Responses to Emergencies and/or Incidents of Harassment and Discrimination,

- 4) Feeling valued-salary satisfaction, and
- 5) Sources of Stresses

#### **Proportional Decrease**

1) Perceptions of Satisfaction with Collegiality (13.5% decrease)

2) Under Climate, Commitment to Diversity, and Discrimination, the largest decrease was found in "atmosphere for individuals with disabilities" (23.3% decrease) and the second largest decrease was related to "racial and ethnic diversity of faculty" (20% decrease).

- overall sense of community (12.8%)
- racial and ethnic diversity of faculty (20%)
- racial and ethnic diversity of the staff (12.6%)
- racial and ethnic diversity of students (18.8%)
- atmosphere for sexual orientation (17.9%)
- atmosphere for political differences (9.7%)
- atmosphere for religious differences (14.9%)
- $\cdot$  atmosphere for gender differences (15.6%)
- atmosphere for individuals with disabilities (23.2%)

3) In the third category, the largest decrease, which was 24% drop, was "timeliness of administrative responses to sexual assault". Aligned with this, the second largest decrease, 21.1%, was found in "outcome of administrative responses to sexual assault".

- timeliness of response to emergencies (10.6%)
- $\cdot$  timeliness of response to discrimination (15.5%)
- timeliness of response to sexual assault (24%)
- outcome of response to emergencies (10.2%)
- outcome of response to discrimination (5.9%)
- outcome of response to sexual assault (21.1%)
- 4) Feeling valued-salary satisfaction (9.1% decrease)
- 5) Sources of Stresses
- a source of stress increased for **9 of 12 items**
- increasing work responsibilities were identified as a source of stress for nearly **75% of respondents**
- budget cuts in departments, as a source of stress, increased by 23.3%
