

Feel free to add any ideas you have below, and we can start brainstorming and planning.

- Email signature tag ←love this!
- sticker/decal for office doors/windows
- Ways to celebrate LGBTQ+ allies – how to raise these people up?
 - Ally of the month – what they did, why important
 - Like the Elevating the A idea – A frames with information about different sexual/gender identities with ideas about how to be an ally
- LGBTQ+Allies Recognition Event – modeled after Women's Recognition Event
- SpeakEasy – ISS becomes one, Matt Z is bouncer :)
- What kinds of housing options exist for trans students whose home states may not be safe in summer semester?
- Mural?
 - Can we recruit an Art team to propose an electrical box painting project embracing LGBTQ+? The University Art Review Committee has been looking for teams for such a project.
- Lavender Stoling Ceremony (check in with Kem for prior years)
- LGBTQ+ button-making?

- Education effort: How attacking LGBTQ+ rights leads to attacks more broadly
 - Link this to our workshops for Undocumented Community as well – common thread leading through all of this work
- Question: What is the process for students selecting existing sports teams?
 - What is the training process to ensure that student leaders are prepared to support incoming team members?
 - TIX example - piloted with Greek Life, campus orgs & clubs, ensuring faculty advisors are educated and able to support student leaders
- Summer sports events
- Academic work
 - Lecture series
 - Faculty research (e.g., Ron's presentation designed for a local middle school – build from there; Tadashi's presentation)
- Similar to Title IX stump speeches in classrooms – Members of this committee to go into classrooms for 10-15 minute presentation

- Plot-a-Thon – always looking for data ideas – possibility there?
- Themed Trivia Nights – monthly trivia game that different groups take responsibility for – our group to take October
 - Build from Catherine Paolillo's toolkit she began creating for affinity groups
- Infuse mental health/wellbeing into this work – caution of course re. pathologizing/assuming – but ensuring availability of support
