Institutional Mission-Based Learning Outcomes

CSUCI graduates will possess an education of sufficient breadth and depth to appreciate and interpret the natural, social and aesthetic worlds and to address the highly complex issues facing societies. Graduates will be able to:

• Identify and describe the modern world and issues facing societies from multiple perspectives including those within and across disciplines, cultures and nations (when appropriate).

• Analyze issues and develop and convey to others solutions to problems using the methodologies, tools and techniques of an academic discipline.
Priorities of the Interim Presidency

- Bridging Institutional Values
- Communication
- Shared Governance
- Racial and Social Justice
- Graduation Initiative 2025
- Budget/Enrollment Management
- COVID-19
Bridging Institutional Values
1. Educational Excellence
Ensuring students graduate with the high-level knowledge, skills and experience necessary for engaged citizenship and career success.

2. Student Success
Ensuring all students progress to degree completion in a timely manner regardless of their background.

3. Inclusive Excellence
Fostering a campus culture that advances inclusive excellence.

4. Capacity and Sustainability
Taking action to sustain and advance a robust University in an era of declining state support.
