

CSU Channel Islands
Emergency Operations Center Team
Meeting and El Nino Update Presentation
Thursday December 17, 2015
10:00 AM -11:00 AM
Ojai Hall 1986

- I. Welcome- Maggie Tougas (5 min)
- II. El Nino Update with Eric Boldt, NOAA (20 Min)
- III. Flood on Campus Discussion (35 min)
- IV. Next EOC Team Meeting March 2016

How much rain will affect campus?

If students are stuck here? How will we take care of them?

What will it take to close campus?

Toilets are backed up in housing, cannot flush. Broken sewer lines contaminated the water. What is the plan for obtaining drinking water to the campus? Issues: Vendors, storage areas, transportation routes, packaging, public information. With whom do we need to coordinate our efforts?
