Re: Annual Regulated Tools and Equipment Report

The University Police Department at California State University Channel Islands (CSUCI) is committed to transparency, communication, and engagement with members of the campus community. In July of 2022, the Board of Trustees approved the system-wide Regulated Tools and Equipment policy as recommended by the Chiefs of Police representing the twenty-three University Police Departments. This policy was adopted and published as outlined by Assembly Bill 481 and requires every law enforcement agency in the State of California to publish certain information annually regarding specified equipment.

Of the sixteen regulated types of equipment and tools, CSUCI PD utilizes only the Def-Tec/LMT40mm sponge tip launchers and a command-and-control vehicle. Information regarding the use, policy compliance, funding, and inventory for the 2025 calendar year to date is outlined below:

Summary of how regulated tools and equipment were used, and the purpose of its use:

- UPD did not have any cases involving the use of the Def-Tec/LMT 40mm sponge tip launchers.
- UPD deployed the command-and-control vehicle as an incident command post during the 2025 Commencement Ceremony.

Summary of any complaints or concerns received concerning regulated tools and equipment:

- UPD did not receive any complaints or concerns regarding the use of the equipment and tools outlined in Assembly Bill 481.

Results of any internal audits, any information about violations of the regulated tools and equipment policy, and any actions taken in response:

- UPD did not receive any audit findings or information about violations associated with the regulated tools and equipment policy.

Annual cost and source of funds for regulated tools and equipment:

- Total expenditures in 2025 for planned purchases to support training and readiness of the Def-Tech/LMT 40mm sponge tip launchers are \$500 which is expended from UPD general fund.

One University Drive, Camarillo, California 93012-8599 Tel: (805) 437-8444 Fax: (805) 437-8440 www.csuci.edu

- UPD did not have any expenditures in 2025 to support training and readiness for the command-and-control trailer.

Current inventory of regulated tools and equipment:

- UPD currently possesses three (3) Defense Technology 40mm LMT single-shot launchers, fifty (50) eXact Impact Sponge rounds, and five (5) plastic training rounds.

Planned purchases of additional regulated tools and equipment:

- None.

To further our efforts toward transparency and open communication, UPD will host a community engagement event to discuss information contained within this report on **October 17, 2025, at 8:30am in the J. Handel Evans Conference Room, Broome Library 2533**. The community engagement event is open to all students, faculty and staff at CSUCI. To assist with planning for the event we ask that you please RSVP for the event via the registration link below regardless of if you plan to attend in person or join us virtually.
