 - b. Put feelers out to committee
 - c. Will reach out in early august for new members
- 5) Update on campus safety upgrade project
 - a. Faculty was notified, but there was not good follow up for support
 - b. Need campus wide support network
 - c. Signage could be an improvement for communication
 - d. Also, information that police are initial response
 - e. What is the responsibility of faculty/staff in an emergency?
 - f. Maybe more of an HR mandatory training?
 - g. Ideas for communicating to campus community
 - i. We will do town halls
 - ii. This could be a trigger especially for students, so give a trigger warning
 - iii. Probably will be asked where the money came from for the project
- 6) Open discussion – how did you feel about the committee?
 - a. Committee is important
 - b. We need to widely put out information about EV chargers
 - c. Appreciated how it opens our eyes to the outside community
 - d. Increase in calls of students occupying buildings after hours because of finals
 - e. Do we have a 24 hour space for students?
 - i. Library does do finals hours.
 - ii. We have spaces in housing that does not close, but it's a good discussion to have campus wide
 1. Not available to non-housing students
 - f. Appreciated open and sometimes challenging dialogue
 - g. Felt listened to and appreciate openness and willingness to meet and discuss thoughtfully
 - h. Police could use better marketing

7) Adjourned – 4:00 PM

Next meeting – May 4, 2023 @ 3:00 PM
