Check if you have met the pre-requisites for a class before you enroll by using shopping cart validation. You can also determine if you have time conflicts or other registration issues that you can resolve before your enrollment appointment.

   *Both are case sensitive.

3. Once you are logged into myCI, click on CI Records in the My Links section.

4. Select the "Plan" link in your Student Center under the Academics heading.

5. Add classes to your shopping cart. You can either:

6. Click the check boxes to select which classes you would like to select for validation, then click Validate.
