Main reason you stopped attending Channel Islands:

Other

I plan to change my major or add a minor/certificate.

I made an appointment to meet with an academic advisor.

I plan to utilize financial aid and have applied to FAFSA or CADA.

Check for any holds or outstanding obligations and resolve them by contacting each area (i.e. Library fines, financial holds, etc.) prior to registration.

Prepare for my advising appointment by checking the schedule of classes and seeing if the classes I need are available.
