

## College-Level Examination Program (CLEP) Credit 2024 – 2025

(Effective April 17, 2024 to April 16, 2024)

Credit is granted for external examinations in accordance with [CSU Executive Order 1036](#). CLEP exams passed with scores noted below will earn a grade of credit (CR) and will not be calculated into students' grade point averages (GPAs). Credit granted is reviewed annually and occasionally varies from exam year to exam year, as content, exams, and Channel Islands (CI) curricula are subject to change. Thus, CI credit is awarded based on exam completion date.
