

RSCA Award Agreement

2024-2025 Awards

Recipient Name: _____

This document sets out the terms of the 2024-2025 RSCA award made to the individual named above. If others are involved in the project, the above individual will serve as the project's Principal Investigator for the award and is responsible for coordinating the efforts of other project members to realize the goal of the project described in the proposal.

Once you sign and return this agreement to Sarah Krashefski, Research and Sponsored Programs will authorize the use of funds. Please return the signed copy via [Dropbox](#) by **5pm on Friday, May 31st, 2023**.

By signing this Agreement document, I agree that I have read and understood this document and that I am taking on the obligation to

- Spend funds as described in my proposal's budget and award letter not to exceed the amount awarded;
- Submit a project report through CI's InfoReady Review Portal 6 months, 12 months and 18 months after the project start date.

Failure to complete any one of these may make me and my project collaborators ineligible for future RSCA competitions.

I also understand that any charges in excess of those approved in my award letter will become the responsibility of my program.

☐ Check this box if you are **declining** your RSCA award for 2024-2025.

☐ Check this box if you **do not want** the Research and Grants Committee to share your proposal with other CSUCI faculty who want examples of successful proposals in future competitions.
