Public Instructions on Addressing the Site Authority Board

PLEASE NOTE: California Government Code § 11133 authorizes public meetings to be held through teleconferencing and to be accessible telephonically, or otherwise electronically, to all members of the public seeking to observe and to address the state body. The requirement of a physical presence for public meetings is suspended until July 1, 2023.

The CSUCI Site Authority Board meeting will take place entirely virtually on May 15, 2023. Members of the Board will participate in this meeting remotely, either by telephonic or video conference means. The Handel Evans Conference Room in the Broome Library will not be open to the public during the meeting, and no board members or staff will be present in the conference room. Therefore, there will be no public access to the meeting site used for past board meetings and no in-person public comment.

Members of the public have full opportunity to observe the meeting and to offer public comment as follows:

- Members of the public are encouraged to watch the meeting via Zoom video conferencing by either (1) calling +1 669 900 6833 or +1 253 215 8782 or +1 507 473 4847 , or (2) using the following link: <https://csuci.zoom.us/j/89178624206>
Enter the following webinar ID when joining: 891 7862 4206.
- Members of the public who wish to offer public comment during the meeting may do so by providing a written request by 5:00 p.m. on Friday, May 12, 2023, to the Site Authority Board Secretary at christina.sotelo429@csuci.edu . The request should note whether the individual intends to join by phone or online, and if by phone, what phone number they will be using to call in. Members of the public offering public comment are asked to join the meeting at 11:15 am on May 15 so that the Board Secretary can enable them as speakers during the meeting. During the meeting, the Board Chairperson will identify and call on each person who requested to comment when it is their turn to speak. Efforts will be made to accommodate each individual who has requested to speak.

Members of the public are welcome to address agenda items that come before standing and special meetings of the board. Comments should pertain to the agenda or University-related matters and not to specific issues that are the subject of collective bargaining, individual grievances or appeals, or litigation. Written comments are also welcome and will be distributed to the members of the board. The purpose of public comments is to provide information to the board, and not to evoke an exchange with board members. Questions that board members may have resulting from public comments will be referred to appropriate staff for response.

In fairness to all speakers who wish to speak, and to allow the board to hear from as many speakers as possible, while at the same time conducting the public business of their meetings within the time available, the Chairperson will determine and announce reasonable restrictions upon the time for each speaker and may ask multiple speakers on the same topic to limit their presentations. In most instances, speakers will be limited to no more than three minutes. The totality of time allotted for public comment at the board meeting will be 30 minutes, and speakers will be scheduled for appropriate time in accord with the numbers that sign up. Speakers are requested to make the best use of the public comment opportunity and to follow the rules established.

Requests for reasonable modification or accommodation from individuals with disabilities, consistent with the American with Disabilities Act, shall be made as follows:

- By email: to christina.sotelo429@csuci.edu or
- By telephone: to 805-437-3281
