

# Santa Rosa Island Research Station

## Emergency Contacts

There are no medical facilities on the island. If you have specific medical needs, **make sure to bring a supply of your medicine**. Anyone with allergies to anything such as yellow-jackets, or anyone with an asthmatic condition must always bring medication with them and keep it on them while visiting. There is **NO CELL PHONE COVERAGE** reliably on the island or at the station. Please notify the SRIRS staff of any medical concerns for you or anyone in your group. If you have any medical concerns, **check with your doctor** before coming to the island.

### Less than Life-Threatening Emergencies

1. Robyn Shea (SRIRS Director): Radio call sign – **950**, (805) 437-1653 (office), (805) 377-3486 (work cell)
