   A. Welcome VPSA Dr. Ford Turnbow (Time Certain 9:50-10:20 a.m.)
      1. Spent last 4 weeks meeting folks and attending meetings and am now on week 5
2. Introduction, very relational and a CA girl for last 3 years and previously at CSU Humboldt. Northern CA is very different than Southern CA. Holds a belief in service and is excited to be here. Held first DSA meeting this morning. Collaborators in Action! We are at the table, engaged and doing our part as leaders on this campus. Staff Council was a favorite part of the interview process. When it is about business Dr. Turnbow hones in and focuses to get things done. Been in field for about 15 years and 5th institution. Has experience with small and large schools. What do you need from me and how can I support staff on campus?

   a) R. Fuentes- always good to have someone on Cabinet that we can have the ear of. More information that is disseminated, the more likely it will hit executive management. Appreciate you speaking with us and continuing to listen to us will work in our favor.

   b) H. Krueger- Staff represent a big chunk of the University.

   c) A. Block-Weiss- New Staff Council and reorganized to make representation more equitable. This Council agreed to a 3-year term which is a large commitment. Exec will end next summer and a new Exec can run for a 3 year term. We redid our agenda to create more opportunity to be received more widely and added Division reports so everyone is responsible to share information on what is going on in each Division.

   d) H. Smit- appreciated the published org chart since it has been a while since we had updated org charts. [https://www.csuci.edu/studentaffairs/about/organizational-chart.htm](https://www.csuci.edu/studentaffairs/about/organizational-chart.htm)

   e) VPSA Dr. FT- Staff Council has been widely talked about and supported across campus.

   f) C. Gross- Appreciate the emphasis on collaboration. Org chart increases transparency and allows for collaboration to happen.

   g) C. Gutierrez- What teams are you rooting for?

   h) VPSA Dr. FT- I am a big college and NFL fan from Michigan Spartans fan and Steelers fan. Enjoy Boxing, UFC, like watching baseball in person.
