Bylaws Amendment on Ex-Officio Membership for Campus Representatives

PURPOSE:

To ensure that staff representatives on campus committees who are not elected divisional representatives have equal opportunity to speak and contribute to Staff Council meetings and discussions relevant to their representation.

BACKGROUND:

Current protocol for Staff Council meetings requires recognition by the Chair before any person may speak who is not either an elected member or an ex-officio member of Staff Council, limiting the ability of any staff member to actively engage in discussions or share reports. As staff representation on campus-wide committees, task forces, and initiatives expands, we seek to ensure that staff serving in this capacity can share their experiences and report on goings-on to Staff Council for the betterment of the staff experience at CSU Channel Islands without the need for additional formality.

BYLAWS AMENDMENT PROPOSED FOR NOVEMBER 20, 2025:

1. The Staff Council hereby amends, upon the requisite two-thirds passage of the Council assembled, the Staff Council Bylaws as follows:
 - a. An additional line is hereby created under Article II, section 8, to be line-item 'e,' to amend the list of ex-officio members of Staff Council to include Staff Council facilitated committee representatives, immediately following line-item 'd,' Campus President.
 - b. The additional text shall read as follows:
 1. Staff Council facilitated committee representatives
 - a. The principal duty of the committee representatives is to update and advise Staff Council on committee related matters.
