## WHO WE ARE

by Staff Council

Happy New Year and welcome to the first edition of "In the Loop" sponsored by your [Staff Council](#)! Newsletters are the easiest way to be in touch with you - our fellow staff members. In the Loop is an attempt to increase the avenues of communication among staff, deliver information across campus divisions, and act as an opportunity for us to hear and represent you!

Staff Council's purpose is to sponsor programs, services, and events with the charge to promote communication, staff recognition, and a sense of community in the workplace. Currently we are 24 members strong with representatives from each division on campus. Since March 2016, we have: collaborated with campus constituents, recognized staff, increased staff involvement on committees, planned and coordinated staff events, coordinated involvement with Corporate Games, and taken your concerns to the President.

Be in touch, get involved - we look forward to hearing from you! Wishing you a happy and healthy 2019!

WE WANT TO HEAR FROM YOU!
