## Resolution in Support of the Student Government Call for a Dean's List

**Resolution #:** SCR 24-04

**Approval Date:** 10/17/2024

**Purpose:**

To express staff support for implementing a Dean's List at California State University (CSU) Channel Islands.

**Resolution:**

WHEREAS the CSU Channel Islands Student Government passed a resolution on September 18, 2024, calling for the implementation of a Dean's List at CI, and

WHEREAS the university has historically awarded 'Semester Honors' and other academic honors via standard processes managed by the Registrar's Office, and

WHEREAS the implementation of a Dean's List at CI or the replacement of Semester Honors with a Dean's List would not significantly alter existing processes, documentation, or oversight of academic honors, which are the responsibility of the staff of the Registrar's Office, and

WHEREAS the staff of the Registrar's Office and other relevant areas, as well as the Director of Academic Advising and the University Registrar, have no reservations regarding altered or additional processing required for a Dean's List, and concur with Student Government regarding the value of the Dean's List nomenclature as a recognized honor for students achieving a high level of academic excellence,

BE IT THEREFORE RESOLVED that the Staff Council of CSU Channel Islands enthusiastically supports the implementation of a Dean's List honor for students attaining high academic achievement during a given semester, and

BE IT THEREFORE RESOLVED that Staff Council encourages the Academic Senate of CSU Channel Islands and the Student Academic Policies and Procedures (SAPP) committee to revise relevant policies pertaining to student honors to include a Dean's List honor, and to establish eligibility criteria, recognition procedures, and communication strategies for said Dean's List, as proposed by Student Government, and

BE IT FURTHER RESOLVED that this resolution be distributed to Student Government President Andrew Fox, Academic Senate Chair Christina Smith, Interim-Provost and Vice President of Academic Affairs Jessica Lavariega Monforti, and President Richard Yao.
