

Consent STEM-Inspired!

You are being asked to take part in STEM-Inspired! This project aims discover how STEM professionals communicate the inspiration for their chosen career.

This work aims to inspire the next generations of STEM professionals through storytelling.

We ask you to share your story. If you agree then we will conduct and record the interview and ask you questions about your childhood, your work today, and perhaps your advice to the next generations of innovators and STEM professionals.

Risk and benefits: Risks are minimal. You may find some of the questions about your path probing. There are no significant benefits.

Voluntary: Taking part is completely voluntary. You may skip questions. You may stop at anytime.

Questions: If you have any questions please refer to the project manager Dr. Marcella Klein Williams.

Do we have your consent?

You were asked to participate as a STEM professional. Could you tell us your name, what you do for a living and a little bit about yourself?
