Mechatronics Lab O&M	<u>\$30,000</u>

Total

\$465,100

Division of Academic Affairs Budget Overview – Six Year Plan

Six Year Plan

Division of Academic Affairs Budget Overview – Six Year Plan: *Benefits*

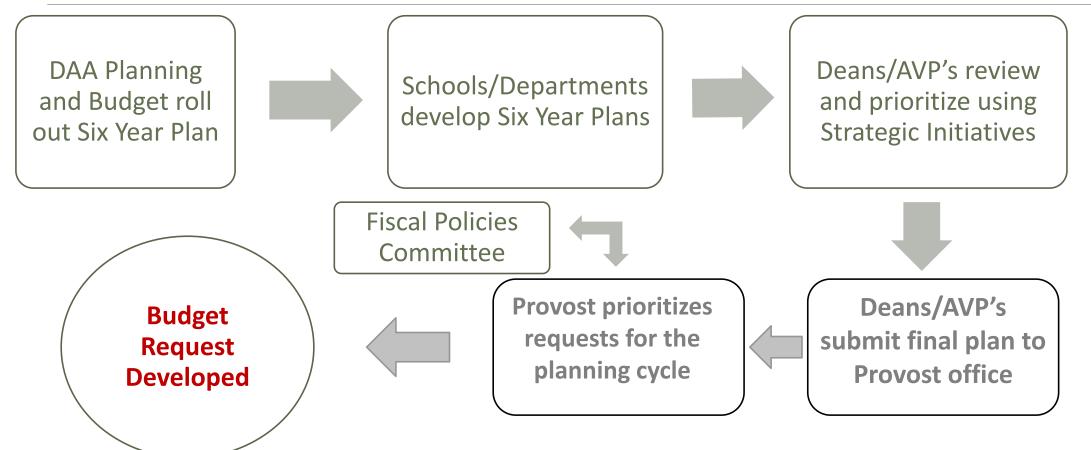

- We have a plan
- How did we get here, and how do we get there?
- Unifies direction of Division

• Reduces risk. Visibility of upcoming needs.

Division of Academic Affairs Budget Overview – Six Year Plan: *How it works*

- Budget and narrative template provided to Deans, AVPs, and Directors
- Roll out to Deans, AVPs, or Dirs. Example: Dean provides Chairs with templates. Chairs work to develop six year plan for each department based on SI, Division, and School goals.
- Format requires "50,000 ft" perspective. *This is not a resource driven exercise*
- Department roll up to School. Schools/Departments vet proposals and submit plan to Provost office for review
- Six year plan will inform the annual planning cycle
- Plans deemed a priority will require additional work (KPI, measured outcomes, in-depth narrative, etc.). Criteria used for evaluating proposals TBD
- Six year plan updated every two years.

Division of Academic Affairs Budget Overview – Six Year Plan

Division of Academic Affairs Budget Overview – Six Year Plan: *Work in Progress*

- Process is evolving
- Patience and input will be needed
- Expect bumps along the way
- Now is the time
