 - i. Had a meeting with the Academic Scheduling and Planning Manager. Two options are Mondays, Wednesday, and Fridays at 12pm or Tuesdays and Thursdays 2:30-4:30 (at least 80% of faculty are in an academic senate meeting during this time). University hour is a time designated to students to have interactions outside of the classroom for a one hour block. Our campus is 70% commuter students, and student engagement is a concern that University Hour can address. There is a possible setback because the university might want to expand the student body by adding more classes.
- 9) Special Presentations:
- a. None.
- 10) Closing Comments:

- a. Rianna Smith: Earth Week was fantastic and people learned new things.
- b. Atticus Reyes: Thanked members for helping in Earth Week. Will be inviting the incoming Vice President to the next Presidents Meeting.
