Dear Campus Community.

CSUCI is committed to providing a safe learning and working environment for our Dolphin community. In order to raise awareness about anti-discrimination, harassment, and retaliation, all employees must complete the [mandatory training](#) assigned through CSU Learn.

Completion of training is required. If you are unsure if you have completed your annual training, you can login to [CSU Learn](#) or contact your supervisor.

For more information about this training, please reach out to the Title IX & Inclusion office at titleix@csuci.edu or by calling 805-437-2077.

We thank you for taking the time to ensure CSUCI remains a safe place to learn and work.
