

Military Service Credit Guidelines

29 March 11

1. In accordance with the recommendations from the *American Council on Education (ACE), Guide to the Evaluation of Educational Experiences in the Armed Services*, credit for military experience is granted in compliance with EO 1036, Section 1.2.2 and SP 10-08. Every effort will be made to award credit for specific university coursework as opposed to elective credit. CI will award semester credit as follows:
 - a. Credit for military training courses will be awarded as follows:
 - i. Military Basic Training
 1. Marine Corps students will receive 8 units; 3 units fulfilling General Education (GE) Area E and 5 units free electives.
 2. All other branches will receive 4 units; 3 units fulfilling GE Area E and 1 unit free elective.
 - ii. All other courses will be awarded credit based on ACE recommendations as illustrated in Exhibit A. Units will count as free electives.
 - b. Credit for an occupation will be awarded free elective credit based on ACE recommendations as illustrated in Exhibit B. The *ACE National Guide to College Credit for Workforce Training* contains ACE credit recommendations for formal courses or examinations offered by various organizations, from businesses and unions to the government and military.
 - c. Credit for Defense Language Institute Foreign Language Center (DLIFLC) courses will be awarded according to the *ACE National Guide to College Credit for Workforce Training* as illustrated in Exhibit C. A minimum of 3 semester units will be applied for GE Area C3a fulfilling the University language requirement. Any remaining units will count as free electives. The DLIFLC provides foreign language training for U.S. military personnel requiring a language to perform their job and is accredited by the *Western Association of Schools and Colleges*.
 - d. Except as outlined above, formal approval is required for other GE Area and/or major course credit. Appropriate forms are available at http://www.csuci.edu/students/rec_reg_library.htm
2. No more than 30 semester units of combined externally developed test credit (of which military credit is included) will be applied to the baccalaureate degree. Advanced Placement, International Baccalaureate and basic military training are excluded from this limit. Credit is granted for *baccalaureate/associate* degree level courses only. *Graduate* level work will be assessed by Graduate Programs. No credit will be granted for *vocational* level courses.
3. To receive credit, submit a request to the Records and Registration office along with a copy of your DD 214, DD 295, or other official documents such as the *Army/ACE Registry Transcript System (AARTS)*, *Sailor/Marine/ACE Registry Transcript (SMART)*, *Community College of the Air Force*, or *United States Coast Guard transcript*.

Exhibit A

Military Training Credit

If a formal transcript (SMART, AARTS, etc) is not available, credit for courses indicated on the DD 214 and/or DD 295 may be found by searching at the following web location: <http://www.militaryguides.acenet.edu/>. The example below demonstrates how to determine correct CI baccalaureate level credit.

Course Credit Example:

The student will receive 21 units lower division free electives and no credit for the vocational category:

Course Exhibit
AF-1601-0046
ENGINEERING ASSISTANT SPECIALIST BY CORRESPONDENCE
Course Number: 55350.
Location: Extension Course Institute, Maxwell AFB, Gunter Annex, AL.
Length: Maximum, 52 weeks.
Exhibit Dates: 8/86-8/99.
Objectives: This course is intended to train individuals to be civil/construction engineering assistants.
Instruction: This correspondence course consists of on-the-job supervision and at-home studies. The home study provides basic knowledge of applied mathematics, surveying, soils analysis and testing, pavement analysis and testing, drafting, and construction management. The course provides knowledge related to real estate property design and construction, maintenance, and repair of civil engineering and construction projects and functions. Field inspection and management techniques are also covered. The course has a proctored final examination.
Credit Recommendation: In the vocational certificate category, 3 semester hours in applied technical mathematics. In the lower-division baccalaureate/associate degree category, 6 semester hours in basic surveying and/or construction surveying, 3 in soil analysis and testing, 3 in asphalt and concrete testing, 6 in engineering drafting and/or architectural drafting, and 3 in construction management. NOTE: AFIADL designates a minimum passing score at 65% (9/86)(9/86).

Exhibit B

Occupation Credit

If a formal transcript (SMART, AARTS, etc) is not available, credit for an occupation indicated on the DD 214 and/or DD 295 may be found by searching at the following web location: <http://www.militaryguides.acenet.edu/>. The example below demonstrates how to determine correct CI baccalaureate level credit.

Occupation Credit Example:

The student will receive 14 lower division units and 6 upper division units as free electives.

Exhibit Dates: 8/06–Present.

Occupational Field: 22 (Intelligence).

Career Pattern
SN: Seaman (E-3). **IS3:** Intelligence Specialist, Third Class (E-4). **IS2:** Intelligence Specialist, Second Class (E-5). **IS1:** Intelligence Specialist, First Class (E-6). **ISC:** Chief Intelligence Specialist (E-7). **ISCS:** Senior Chief Intelligence Specialist (E-8). **ISCM:** Master Chief Intelligence Specialist (E-9).

Description
Summary: Collects, processes, and disseminates intelligence by performing
(The full Summary text can be found in the ACE guide)

Recommendation, IS3
In the lower-division baccalaureate/associate degree category, 2 semester hours in survey of geography, 3 in information systems, 3 in communications, 3 in photogrammetry, and 3 in information systems management. In the upper-division baccalaureate category, 3 semester hours in intelligence processes and 3 in intelligence analysis (8/06)(8/06).

Recommendation, IS2
In the lower-division baccalaureate/associate degree category, 2 semester hours in survey of geography, 3 in information systems, 3 in communications, 3 in photogrammetry, and 3 in information systems management. In the upper-division baccalaureate category, 3 semester hours in intelligence processes and 3 in intelligence analysis (8/06)(8/06).

Recommendation, IS1
In the lower-division baccalaureate/associate degree category, 2 semester hours in survey of geography, 3 in information systems, 3 in communications, 3 in photogrammetry, and 3 in information systems management. In the upper-division baccalaureate category, 3 semester hours in intelligence processes and 3 in intelligence analysis (8/06)(8/06).

Recommendation, ISC
In the lower-division baccalaureate/associate degree category, 2 semester hours in survey of geography, 3 in information systems, 3 in communications, 3 in photogrammetry, and 3 in information systems management. In the upper-division baccalaureate category, 3 semester hours in intelligence processes, 3 in intelligence analysis, 3 in personnel management, 3 for field experience in management, 3 in project management, and 3 in leadership and supervision (8/06)(8/06).

Recommendation, ISCS
In the lower-division baccalaureate/associate degree category, 2 semester hours in survey of geography, 3 in information systems, 3 in communications, 3 in photogrammetry, and 3 in information systems management. In the upper-division baccalaureate category, 3 semester hours in intelligence processes, 3 in intelligence analysis, 3 in personnel management, 3 for field experience in management, 3 in project management, and 3 in leadership and supervision (8/06)(8/06).

Recommendation, ISCM
In the lower-division baccalaureate/associate degree category, 2 semester hours in survey of geography, 3 in information systems, 3 in communications, 3 in photogrammetry, and 3 in information systems management. In the upper-division baccalaureate category, 3 semester hours in intelligence processes, 3 in intelligence analysis, 3 in personnel management, 3 for field experience in management, 3 in project management, and 3 in leadership and supervision (8/06)(8/06).

Exhibit C

Defense Language Proficiency Test Credit

Students will receive the following credit based on the recommendations of the *ACE National Guide to College Credit for Workforce Training* at <http://www2.acenet.edu/credit/?fuseaction=browse.getOrganizationDetail&FICE=190163>. The following examples demonstrate how to determine correct CI baccalaureate level credit. Transcripts may be sent to the Records & Registration office by ordering them directly from DLIFLC: <http://www.dliflc.edu/dlitranscripts.html>.

Example 1: Defense Language Proficiency Test Credit

The *DLPT 5 Spanish Reading* test is completed with a score of 4 (DLI-0070) The student will be awarded 4 lower division (LD) units General Education (GE) C3a Language plus 7 upper division (UD) units as free electives.

Example 2: Defense Language Proficiency Test Credit

Two tests (same language) are combined to fulfill the required minimum of 3 units LD GE Area C3a Language.

DLPT IV (Test period: 1 Apr 02 to pres.) Italian Listening test with a score of 0+ or 25-29[♦] (DLI-0216) = 1 LD unit GE C3a Language

DLPT IV (Test period: 1 Apr 02 to pres.) Italian Speaking test with a score of 1 or 30-35[♦] (DLI-0221) = 2 LD units GE C3a Language

[♦]**Note:** As of 4-1-02, test scores were converted to a single digit.

Example 3: Defense Language Proficiency Test Credit

Two tests (can be different languages) are completed, however, only one is needed to fulfill all 3 units of GE Area C3a Language. All units for the second test will be awarded as additional free electives.

DLPT 5 Spanish Reading test with a score of 2 (DLI-0058) = 4 LD units GE C3a Language + 4 UD free electives

DLPT 5 Spanish Speaking test with a score of 2 (DLI-0059) = 4 LD units GE C3a Language + 4 UD free electives

Credit earned for both tests = 4 units LD C3a Language + 4 LD free electives + 8 UD free electives for a total of 16 units.
