CSU Channel Islands feels like family - one that welcomes and supports you while providing you with what you need to build a rewarding future.

Nestled against the foothills of the Santa Monica Mountains in Ventura County 10 minutes from the beach, our campus is just the right size for making meaningful connections. You will get to know our dedicated faculty and staff members, and they will provide you with valuable opportunities for hands-on learning inside and outside the classroom including research, study abroad and internships.

The region surrounding CSUCI features a range of thriving industries where you can gain experience. The many prospects include companies, organizations and nonprofits in the biotechnology, environmental, technology, entertainment, agriculture and military sectors.

Come explore what we have to offer.

Career Development & Alumni Engagement offers a variety of career-related events and support services, workshops, programs, counseling and online content to assist with your career development journey during your time at CSUCI and beyond. go.csuci.edu/careerdev

Alumni Go Far

“The experiences I had at CSUCI helped prepare me for the career of my dreams.

From traveling to Japan to do tsunami restoration at the Fukushima Nuclear Power Plant to the philanthropy projects as President of the Zeta Pi Omega sorority, I had many things that made me stand out from other applicants to medical school.”

Noelle Boudro ’12 B.S. Biology
Doctor of Physical Therapy, Glendale Adventist Medical Center

“While studying at CSUCI, one of my professors told me, ‘When you know better, you do better.’ In my job today, I know that I am called to give back and lead others to end youth homelessness. I pursue becoming a better person today for tomorrow’s pursuits.”

Jevon Wilkes ’12 B.A. Communication
Executive Director, California Coalition for Youth

“I started my Android development through a one-on-one directed study with a great professor. After graduation, I worked locally in Ventura County for tech companies, honing my skills. My education and experience prepared me for a great job as a Software Engineer at Google.”

Daniel Vournazos ’14 B.S. Computer Science & Mathematics
Android Software Engineer, Google

### Are SAT or ACT scores required for admission?

Not Applicable. The CSU has discontinued the use of the standardized test scores in undergraduate admissions. Students are encouraged to take the exams for math and English placement.

### What are CSUCI’s admission requirements?

#### Transfers

**Fall + Spring**

You must meet all four of the below requirements by the aforementioned deadlines:

1. A minimum of 60 transferable semester units or 90 transferable quarter units; AND
2. Have a cumulative GPA of 2.0 (C) or better in all transferable units attempted; AND
3. Be in good standing at the last institution you attended; AND
4. Complete the following courses with a grade of C- or better (Grades of “Credit/Pass” for Winter 2020-Summer 2021 will be accepted):
   - A1. Oral Communication
   - A2. Written Communication
   - A3. Critical Thinking
   - B4. Mathematics/Quantitative Reasoning*

#### Lower Division Transfer

By the aforementioned deadlines, you must:

1. Meet the freshman admission requirements as described in the column to the right; AND
2. Have a cumulative GPA of 2.0 (C) or better in all transferable units attempted; AND
3. Be in good standing at the last institution attended; AND
4. Complete the following courses with a grade of C- or better (Grades of Credit/Pass for Winter 2020-Summer 2021 will be accepted):
   - A2. Written Communication
   - B4. Mathematics/Quantitative Reasoning

*College Algebra is acceptable in meeting the B4 requirement ONLY if the course meets that institution’s GE math requirement.

#### First-Time Freshmen

**Fall**

You must meet all three of the below requirements by the aforementioned deadlines:

1. Be a high school graduate or equivalent (GED); AND
2. Have or will have completed the “A-G” college preparatory courses with a grade of C- or better upon graduation from high school (Grades of “Credit/Pass” for Winter 2020-Summer 2021 will be accepted); AND
3. A 2.5 minimum GPA for CA residents / 3.0 GPA for Non-CA residents

CA resident applicants earning a GPA between 2.00 and 2.49 or non-CA resident applicants earning a GPA between 2.47 and 2.99 may be evaluated for admission based upon supplemental factors. For CSU Channel Islands the supplemental factors are academic achievement including “A-G” GPA and “A-G” coursework completed beyond the 15 year-long college preparatory courses, community commitment including graduating from a California high school, and other attributes including being a first-generation college student and educational program participation (e.g. AVID, Upward Bound, Puente Project, MESA).

*Please refer to the following webpage for an explanation of the “A-G” college preparatory courses: go.csuci.edu/FreshmenRequirements

### Where do I apply?

www.csuci.edu/apply

### Transfer Success Pathway Program

www.csuci.edu/TSP

Heads to a community college after high school? Get guaranteed admission to CSUCI with the Transfer Success Pathway (TSP). This new program guarantees admission for students who meet the eligibility requirements. The program also provides personalized guidance and support to help students transfer within three years or less. Eligibility requirements for the TSP include:

1. Enroll at a California community college.
2. Maintain a GPA of 2.0 or higher.
3. Complete certain prerequisite courses.
Student Housing

go.csuci.edu/Housing

Housing & Residential Education
Living on campus has all the benefits you can imagine and more! Students in the CSUCI housing community enjoy weekly social and educational events such as:
- Community-building activities
- Movie and game nights
- Recreational and intramural sports
- Interpersonal and reflection events
- Tutoring, advising and study support
- Outdoor excursions

Housing Amenities
CSUCI students enjoy state-of-the-art housing facilities with the following amenities:
- Fully furnished units
- Pool and spa
- Outdoor BBQ
- Community kitchens
- Game rooms
- Computer labs
- Dance/fitness studio
- TV and gaming lounges
- Quiet study rooms
- Surfboard storage
- Included utilities
- Art studio and more!

Guaranteed Housing for New Students
Housing is guaranteed to new first-year and transfer students who apply by our priority housing application deadline.

Most housing accommodations are shared. Students can choose a roommate, or we will assign one for you using a compatibility process. We also offer excellent meal plan options. Living on campus allows you easy access to all campus locations, as well as regular bus service to the Camarillo train station and other parts of Ventura County. A Zipcar is also available for students to rent and travel locally around town!

Student Housing Communities
Santa Rosa Village
CSUCI’s freshman community located near the South Quad includes:
- Primarily double occupancy with some single occupancy bedrooms
- Family rooms and computer study rooms
- Large community living room and kitchen

Anacapa Village
CSUCI’s apartment community for upper-division and transfer students includes:
- Four private or shared bedrooms
- Two full bathrooms
- A full kitchen and dining area
- Community lounge

Additional Student Housing
Santa Cruz Village has mostly two-bedroom suites for four to six students. Town Center has studio, one-bedroom and two-bedroom apartments with single or double occupancy bedrooms.

Outstanding Education. Smart Investment.

An extraordinary education doesn’t have to come with an extraordinary price tag. In fact, CSUCI has the second-lowest tuition and fees in the CSU system.

How much does it cost to attend CSU Channel Islands?

Estimate your college costs at go.csuci.edu/costs. The following table breaks down the estimated cost of attendance for undergraduate California residents enrolling in more than six units per term for the Fall and Spring semesters.

<table>
<thead>
<tr>
<th></th>
<th>Living with Parents</th>
<th>Living on Campus</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition &amp; Fees*</td>
<td>$7,144</td>
<td>$7,144</td>

Most CSUCI Students Receive Financial Aid

80% Received Financial Aid in 2021-2022

Financial aid came in the form of state and federal grants, institutional aid, subsidized loans, etc.

Is College Worth the Cost?

Students who graduate with a bachelor’s degree earn 75% more than those with just a high school diploma. That’s $1.2 million in increased earnings compared to just having a high school diploma.

Lifetime earnings for a full-time, full-year worker by degree type:

- High School diploma: $1.6 million
- Associate’s degree: $2 million
- Bachelor’s degree: $2.8 million

All CSU listed fees should be regarded as estimates that are subject to change upon approval. Official university tuition & fees can be found on the Student Business Services website: go.csuci.edu/Fees

Source: Georgetown Center on Education and the Workforce, “The College Payoff: More Education Doesn’t Always Mean More Earnings” (October 2020). cew.georgetown.edu

The cost of attendance for students living off campus may be found on the following webpage: go.csuci.edu/costs
The CSUCI Santa Rosa Island Research Station, located 27 miles off the coast in Channel Islands National Park, provides unique learning experiences for students of every major. Activities range from writing retreats to cataloging artifacts to analyzing the sounds made by microbats. It is one of only 11 university-run research stations located in a U.S. national park.
