Alumni Go Far

Noelle Boudro, B.S. Biology ’12
Doctor of Physical Therapy (DPT) at Glendale Adventist Medical Center

“The experiences I had at CSUCI helped prepare me for the career of my dreams. From traveling to Japan to do tsunami restoration at the Fukushima Nuclear Power Plant, to the philanthropy projects as President of the Zeta Pi Omega (philanthropic) sorority, I had many things that made me stand out from other applicants to medical school.”

Jevon Wilkes, B.A. Communication ’12
Executive Director, California Coalition for Youth

“While studying at CSUCI, one of my professors told me ‘When you know better, you do better.’ In my job today, I know that I am called to give back and lead others to end youth homelessness. I pursue becoming a better person today for tomorrow’s pursuits.”

Daniel Vournazos, B.S. Computer Science & Mathematics ’14
Android Software Engineer, Google

“I started my Android development through a one-on-one directed study with a great professor. After graduation, I worked locally in Ventura County for tech companies, honing my skills. My education and experience prepared me for a great job as a Software Engineer at Google.”

Career Development and Alumni Engagement offers a variety of career-related events and support services, workshops, programs, counseling and online content to assist with your career development journey during your time at CSUCI and beyond. go.csuci.edu/careerdev

What are CSUCI’s admission requirements?

Transfer Students
First Time Freshmen

You must meet all four of the requirements below by the deadlines mentioned at left:
1. A minimum of 60 or more semester transferable units or 90 quarter transferable units; AND
2. A minimum of 2.00 GPA; AND
3. Be in good standing at the last institution you attended; AND
4. Complete the following courses with a grade of “C-” or better:
   A1. Oral Communication
   A2. Written Communication
   A3. Critical Thinking
   A4. Mathematics/Quantitative Reasoning

College Algebra from an out-of-state institution is acceptable in meeting this requirement ONLY if the course meets that institution’s GE Math requirement.

You must meet all three of the requirements below by the deadlines mentioned at left:
1. Have or will have graduated from high school by the end of the Spring term preceding Fall enrollment at CSUCI; AND
2. Have or will have completed the 15 year-long “a-g” college preparatory courses on Table 4 (see next page) with a grade of “C-” or better upon graduation from high school; AND
3. Have a qualifying CSU Eligibility Index Score

Calculate your Eligibility Index Score using Table 1 on the next page.

The CSU will accept both old and new SAT exams from students currently in grades 9-12 graduating before 2020.
Neither ACT nor SAT writing scores are included in the calculation of the Eligibility Index. The essay is not required nor is it recommended for applicants.

Note: If you have taken coursework from an institution outside the United States, your transcript must be evaluated by a credentials evaluation service, such as the International Education Research Foundation (www.ierf.org). A detailed report by the credentials evaluation service is required in order for us to determine admissibility.
