Thursday, September 22, 2016
10:00 AM to 3:00 PM
South Quad

Local officials and relief workers will be on the scene after a disaster, but they cannot reach everyone right away. The best way to make you and your family safer is to be prepared before disaster strikes. Preparedness vendors will be on hand to provide information on making emergency plans and to demonstrate preparedness products. Products will be available for purchase or to place orders.
